The Engine Behind *Premium Pet Brands*

| DIRECT-TO-FACTORY MANUFACTURING

Al Moin Exports is a 100% Export-Oriented manufacturing enterprise. We eliminate intermediaries, offering global pet brands, distributors, and major retail pipelines direct access to clinical-grade, single-ingredient pet treats at competitive prices.

| FACILITY BIOSECURITY & SOPS

- **FDA Registered Origin:** Fully vetted manufacturing facility operating under strict USDA/veterinary export guidelines.
- **Clinical Pathogen Controls:** ISO 9001:2015 and HACCP certified processing with strict biological clearance SOPs (0% Salmonella & E. Coli).
- **Calibrated Dehydration:** Custom computer-controlled ovens guarantee core moisture is strictly below 12% to prevent mold during maritime transit.
- **Physical Safety Audits:** Comprehensive conveyor-belt metal scanning units monitor finished cartons.

| PRIVATE LABEL & LOGISTICAL STRENGTH

From bulk containers to barcoded, retail-ready stand-up pouches, we manage complete turnkey packaging pipelines with direct sea-freight shipments to the USA, Canada, UK, and European distribution hubs.

Catalogue Index
